

НАГРАДИ

„Виното се създава на лозето, ние само се грижим добре за него докато е в избата“

Само две години след създаването си през 2006 г. Katarzyna Estate участва за първи път на международния винен конкурс San Francisco Wine Competition, където печели златен медал с първата реколта Contemplations Chardonnay - 2006. Същата година избата е отличена с още 8 медала за различни вина от престижни световни конкурси, което поставя Katarzyna Estate на едно ниво с най-известните винени тероари по света.

Следват награди от конкурси като Mundus Vini Germany, Concours Mondial de Bruxelles, China Wine Awards, Syrah du Monde, Decanter и др.

Едно от най-големите признания за избата са дадените 91 точки по системата на Робърт Паркър за Katarzyna Reserve 2008 и 2009, което поставя виното в категория 90-95 точки, от максимум 100. Katarzyna Estate е първата българска изба, чието вино е оценено с над 90 точки от официалния сайт на Робърт Паркър.

Със спечелените над 300 отличия избата е една от най-награждаваните български винарни.
